Wedding Day Logistics

Where would you like to have your hair done on your wedding day (name of location & street address)?

What time can we begin hair services? _____

By what time would you like hair services completed? _____

Any special requests? _____

On the day of, please

- Have hair already blown dry or day 2-3 hair
- Designate a chair near an outlet in a no-walk-through traffic area for hair services to be performed when on location (good lighting & a mirror are both helpful!)

List of Hair Services

The number of services will need to be solidified 30 days before the wedding. Once this deadline has passed, the number of services agreed upon must be paid for on the wedding day, regardless of changes made on the wedding date.

We will also establish a schedule prior to the wedding. Each person receiving services will need to arrive on time in order to ensure that this schedule remains on track. If a person arrives more than 30 minutes late, we will have to push them to the end of the schedule and may not have a lot of time remaining for them.

Any additions to this list on the day of the wedding will only be done if time allows and will result in an additional charge per person added.
